Re: Petition to Establish Generic Docket to Consider Amendments to Interconnection
Agreements Resulting From Changes of Law, Docket No. 04-00381

Dear Director Tate:

This letter is to inform you that XO Communications, Inc. supports CompSouth's Response to BellSouth's Motion to File Reply Brief ("Motion"). XO opposes BellSouth's Motion as such Motion amounts to a request to change the agreed schedule for the benefit of one party only. Thus, BellSouth's Motion should be denied, in the alternative, should BellSouth's Motion be granted, the procedural schedule in this docket should be revised to allow for the parties to file responses to BellSouth's reply brief.

The original and 14 copies of this letter are enclosed. Please return one date stamped copy to the courier service making this hand delivery. Thank you.

Sincerely,

H. LaDon Baltimore
